BIBB FALK

Head Coach

Election to the Texas Sports Hall of Fame is the latest of many deserved honors to be bestowed upon Bibb Falk, now entering his 20th season as baseball coach at The University of Texas.

The sharp-tongued and sharp-witted Falk became field coach of the Longhorns, succeeding the late W. J. (Uncle Billy) Dach, in 1940. Except for a tour of service during World War II, Falk has been turning out championship teams ever since.

Falk, who calls just about everyone "Lefty," is the only coach to have ever produced two consecutive national championship teams, his Longhorns winning the NCAA title in 1949 and 1950. The 1953 Texas team reached the finals before losing.

A veteran of 12 years of major league baseball (nine years with the Chicago White Sox, three with the Cleveland Indians), Falk compiled a career batting average of .314. He still shares the White Sox lead in most doubles in a season, 36.

During his 19 previous seasons as head coach, Falk has seen his teams compile a 350-129 record for a winning percentage of .731. Thirteen of his 19 teams won undisputed Southwest Conference titles and two more tied for the top spot. In only two of those 19 years has Texas had a losing record.

In addition to being one of the University's all-time baseball greats, Falk was an outstanding all-conference tackle in the early years of SWC football.

A perfectionist who never has been known to build up his players too highly ("mullets" is one of his typical descriptive terms), Falk nevertheless has produced some of college baseball's most outstanding teams. In addition to his three NCAA finalists, he has had the Longhorns in NCAA playoff action seven more times and on two other occasions had clubs qualified for the playoffs, only to pass up NCAA action those seasons.

Reflecting his own innate baseball knowledge, the Longhorns are characterized by "percentage" baseball, hustle, thinking ahead and (you can be sure of this) plenty of hard work.

THE UNIVERSITY OF TEXAS

Although The University of Texas officially dates from Sept. 15, 1883, its history actually parallels that of the state all the way back to the days of the Republic of Texas.

The University received its first boost on Nov. 20, 1837, in a bill suggesting an institution of higher learning. The Second Congress of the Republic took no action at that time; however, even then, Texas' statesmen were hoping and planning for the educational future.

Since its opening, the University's purpose always has been to serve Texas through a program of instruction, research and public service.

With those goals in mind, it has developed into a statewide institution that is made up of more than the 12 colleges, 50 teaching departments and more than 50 research and public service units at Austin. Component units are located at Austin, Galveston, Houston, Dallas and El Paso, each with its own role in the University's three-way objective.

The athletic administration is headed by Edwin W. Olle, athletic director and business manager, and the Athletic Council.

TEXAS' 1961 SEASON IN REVIEW

Three big home runs, a 19-game hitting streak and an 18-game undefeated string added up to another outstanding season by the Texas Longhorns in 1961.

One of the homers was a two-run shot by Outfielder Chuck Knutson that let the Longhorns tie Baylor, 9-9, on the last day of the Southwest Conference season. That tie meant a conference championship for Texas.

The other two circuit clouts were by Second Baseman Phil Hips in the second game of the District 6 playoff with Arizona. They accounted for all the runs in a 5-4 Texas victory and sent the Longhorns on to the College World Series at Omaha, Nebraska.

That 19-game hitting streak, one of the longest in Texas baseball history, was compiled by Third Baseman Pat Rigby.

And the Longhorns opened the season with a rush, going undefeated for their first 18 games, a streak that included a tie with Texas A&M. Texas finally finished with a 22-6-2 record.

The '61 season was another case of clutch performances and good hitting backing up a pitching staff that had its spotty moments, although the chunkers—notably Tom Belcher and Bob Callaway—had their share of good games.

Belcher threw a one-hit shutout against the Rice Owls in a seven-inning game as his personal highlight. The Oklahoma City right-hander remains undefeated (10-0) in conference play after two seasons.

Callaway had a deceptive record (only 7-4 for the full season), but he drew probably the toughest assignments. One was a 3-2 defeat by Baylor in one of the year's pitching games. Another was an unenviable Omaha start against eventual NCAA champ Southern California. The big Houston righty had the Trojans under control for six innings, too, before some freak plays let USC break through in the seventh.

Texas compiled a .307 team batting average for the season and spawned enemy pitchers for 55 doubles, 11 triples and 38 homers—plus an astounding 263 bases on balls.

There were individual honors aplenty, too, headed by Knutson's being named to the first team all-America, as well as to the all-SWC and all-District 6 teams. Rigby, Callaway and Hips (the only '61 starter not returning) also were all-conference and all-district, while Belcher earned all-conference honors.

The Texas Freshmen, strong in pitching, compiled an 8-4 season record.

THE OUTLOOK FOR 1962

GENERAL—This could be a strong baseball team. Graduation losses were comparatively light for a change (only one starter was lost by graduation, although he was a good one, Second Baseman Phil Hips). As a result, the Longhorns will break from the past as an experienced, solid club. Heading up the returnees are Outfielder Chuck Knutson, an all-American as a soph last spring; Infielder Pat Rigby, all-District 6 and all-conference; Pitcher Bob Callaway, also all-SWC and all-district, and Pitcher Tom Belcher, all-SWC and undefeated in the league for his varsity career. If the sometimes-inadequate '61 fielding can be improved upon, if a solid bullpen pitcher can be located and if things work out right in the replacement of the under-rated Hips at second, most of the other ingredients of success seem to be present. One thing that could hurt is the fact that there isn't a left-handed pitcher anywhere in sight.

NEW MEN—Probably the biggest lift the Longhorns will get from their incoming sophomores will be on the pitching hill. Bob Myer (4-0 as a freshman), David Nonnenkamp (1-2) and Charley Hartenstein (1-1) appear to be the most impressive rookie throwers. Folsom Bell, a promising outfielder who batted .336 as a freshman, is another who may prove quite valuable. Other sophs might figure prominently, too, although the pre-season picture had not completely jelled.

PITCHING—The one-two guys, Callaway and Belcher, are back, and that's a real good start. Callaway was 7-4 last year, and pitched an excellent game in the District 6 setto with Arizona. Belcher was 6-1 for the full route, including four straight against rival SWC foes, one of them a one-hitter against Rice. They'll almost certainly hold down the mainline jobs, although the three sophs—Myer, Nonnenkamp and Hartenstein—should figure, as starters or relievers, or both. It's all right-handed, though, and (in these days of "two-platoon" baseball) that should cause Coach Bibb Falk some puzzlement down the season.

CATCHING—Gary London and John Pinckney, last year's two "regulars," are returning. So the backstop department appears well staffed. Neither set the world afire with his lastting last spring, but both are tough, knowledgeable catchers. Pinckney, who missed most of the last half of the '61 season with an injured hand, has made only one error in 128 varsity chances.

INFIELD—Should be good, with Rigby returning either at second or third, Bill Becher back at shortstop after a fine soph season, and both Lou Brazelton and Buddy New available for first-bas ng duties, and both of them fine defenders. If Rigby goes back to his "natural" second base position after a year at third, the hot corner centerfielder—played third all during his soph year.

OUTFIELD—Knutson is a cinch, probably in left field. Bell, the soph, could move right in, while Brazelton proved himself adept as squad, above a lot of promise. This outfield probably won't be n to last year's combo. Skinner, but should be as good as, or better than, is a prominent figure.

a No title awarded; not enough schools competed.

b Texas won NCAA championship.

c A&M beat Texas 2 of 3 to qualify for NCAA playoff.

d Texas beat SMU 2 of 3 to qualify for NCAA playoff; Texas finished second in NCAA.

CHAMPIONSHIP SUCCESS STORY

The University of Texas has a stranglehold on Southwest Conference baseball. Of the 46 baseball titles awarded by the Southwest Conference in the league's history, Texas has won 34 outright and owns shares of three others. Texas A&M has won six championships and has shared two crowns. TCU has captured the pennant twice, Baylor once. Neither SMU nor Rice ever has won an outright SWC baseball championship, although SMU tied the Longhorns for the top spot in 1953.

All-conference and all-District 6 in '61 . . . had 19-game hitting streak last year . . . ended up hitting .356, including 3 homers, triple . . . from No. 2 spot in order had 28 RBI . . . fine competitor . . . seldom strikes out . . . played second base, his "natural" position, as soph, then moved to third last spring . . . may go back to second this time . . . led team in hits (43) last year . . . son of Lloyd (Rabbit) Rigby, mid-1930's Longhorn star and captain . . . 21, 5-11, 172 . . . Grand Prairie.

DAVID SKINNER—Sr.—2L—Inf.-OF—(B-R, T-R)

Moved from third base to center field last spring . . . responded by playing good baseball and hitting .331 . . . had 3 homers, 3 triples, 26 RBI . . . hit .318 as a soph . . . good competitor . . . second to Rigby in total hits (41) last spring . . . not a great fielder but is valuable man to have around . . . may go back to third as senior . . . seldom goes hitless . . . married . . . 21, 6-0, 178 . . . Lufkin.

MIKE THRASH—Jr.—Sqd.—Outfield—(B-R, T-R)

Didn't play much in '61 but gave promise that he can be a good one . . . hit .400 in limited action . . . made some good defensive plays in the outfield . . . batted .257 as fresh . . . 20, 6-2, 190 . . . Denver, Colo.

ROY ENDERLIN TEXAS FRESHMAN COACH

ROY ENDERLIN

Back for a second time as Texas Yearling coach is Roy Enderlin, former relief ace of the Longhorns, who guided the Fresh to an 8-4 record last year. Enderlin was a clutch reliever on the 1960 Southwest Conference championship team. A native of Fredericksburg, Enderlin made 11 key relief appearances as Texas finished with a 21-3 season record in 1960. As a junior transfer student in 1959, Roy hit .340 while filling in at various infield positions. He made the change to pitching the following year, then tried his hand at coaching.

TEXAS' "GRAND OLD MAN"

W. J. (Uncle Billy) Disch

The late William J. (Uncle Billy) Disch, who coached the Texas Longhorns for 29 years (1911-39) and served as advisory coach for a dozen more seasons, guided Texas baseball teams to 512 victories as against only 180 defeats. While compiling this career 744 percentage, Mr. Disch coached 20 Southwest Conference championship teams.

His outstanding services to the University, as a person as well as a coach, has endeared him to the memory of his players and others closely connected with Longhorn athletics. Honors that have come to him include enshrinement in the Longhorn Hall of Honor and election to the Texas Sports Hall of Fame.

CONSISTENT SENIORS

David Skinner, Pat Rigby and Lou Brazelton all have been consistent Longhorns at bat during their first two varsity seasons. Skinner has hit safely in 42 of 54 games Texas played during the past two years. Rigby, who had a 19 game streak last spring, has hit in 41 of 54 games. And Brazelton has connected in 35 different games, although he has not come to bat in several games.

POWERFUL PITCHING

Texas' one-two punch of Bob Callaway and Tom Belcher has been an effective one for two seasons. The two righthanders have combined for an overall 27-7 varsity record. Callaway posting 14-5 and Belcher 13-2. They each have their "favorites," too. Callaway holds a 4-0 record against Texas Christian and is 2-0 against Oklahoma and Rice. Belcher, unbeaten in conference play, is 4-0 against Texas A&M and 2-0 against Baylor and SMU.

TENNIS

A great tennis player in his own right, Wilmer Allison now is utilizing his talents in producing some outstanding tennis teams at The University of Texas. This will be his sixth year as the Longhorns' head coach. He succeeded Dr. D. A. Penick, the only other tennis coach the University ever had, and has continued Texas' rich net tradition—as the 1961 Southwest Conference team title indicates. As a player, Allison won the NCAA singles championship in 1927. He became a member of the Davis Cup team the next year and played on the team through 1937. He was national singles champ in 1935 and a member of the championship mixed doubles team in 1930. He also played on the championship men's doubles team in 1931 and 1932. He was Wimbledon singles runner-up in 1930 and Wimbledon doubles champion in 1929 and 1930. He is a long-time member of the USLTA executive committee and the Davis Cup selection committee. And he's an excellent golfer, being especially tough on the putting greens. He is a member of the Texas Sports Hall of Fame.

1961 TENNIS IN REVIEW

Texas' hard-working tennis team surprised its Southwest Conference opponents by winning the team championship with an outstanding 33-3 record.

The Longhorns blanked Baylor, Texas A&M and Texas Tech, and compiled 5-1 victories over second-place Rice, third-place SMU and TCU. The crucial wins over Rice and SMU both were scored on "foreign" courts.

WHITE

UNTERECHER

Mar White and Neil Unterecher alternated as No. 1 player throughout the long season and teamed as Texas' top doubles team. White had a 6-0 singles record. Unterecher fashioned a 5-1 record. They were 4-0 as a doubles combo.

Sophomores John Heath and Jack Kamrath also filled vital roles in the championship season. Heath posted a 5-0 SWC singles record and Kamrath a 5-1 record. As a doubles team, they won four out of five matches.

The '61 championship, which was something of an upset since the Longhorns had been figured no better than second, possibly third, in pre-season estimates, was the first for Texas since the 1957 season.

LONGHORNS' TENNIS HISTORY

Tennis was played at The University of Texas as early as 1891, although it was not until 1909 that intercollegiate competition developed. Between that time and the advent (in 1915) of the Southwest Conference, Texas and Oklahoma annually held a meet for the championship of the Southwest. The University sent its first representative to the NCAA Tennis Meet in 1920. Since then in the sport, winning 12 of 15 team titles, taking 27 of 45 singles crowns and capturing 32 of 45 doubles titles, Texas also has been a strong representative in the NCAA Meet through the years.

GOLF

One of the finest coaches and teachers of golf in the United States, Harvey Penick is starting his 32nd year as director of Longhorn golf fortunes. He has tutored 20 Southwest Conference championship teams, 19 SWC individual winners, three NCAA runners-up and one NCAA champion (Ed White in 1935). A cousin of Dr. D. A. Penick, the veteran former Texas tennis coach, Harvey is respected as one of the finest instructors in the game. His 1949 Longhorn team tied for second in the NCAA Tournament, and he has had Texas well up in the NCAA standings on any number of other occasions. He had the unequalled record of producing 19 SWC team champions within a space of 21 years (1932-52, inclusive).

1961 GOLF IN REVIEW

Although the Longhorns finished in the second division in the final Southwest Conference team standings, they came up with one of the league's top individuals in Terry Dill.

A conference individual tri-champion as a sophomore, Dill played outstanding golf in his junior season, too. He had an overall 5-2 record in match play (four victories, a 1-up defeat and two halved matches) and tied for second in the individual playoff at Houston.

High point for the Texas team came on April 14, as the Longhorns blanked TCU's golfers, 6-0. Tie matches with Baylor and SMU were posted in Texas' other best performances during the conference race.

Dill, returning for his senior season, is expected to be Texas' top hand this spring. But big help is expected from the members of Texas' fine 1961 freshman golf team.

LONGHORNS' GOLF HISTORY

Golf did not become a Southwest Conference sport until 1927, and no records are available regarding Longhorn competition before that time. However, it didn't take the Orange and White long to start dominating the conference on the links—the Longhorns winning the first two team championships ever decided. Texas sent its first representatives to the NCAA Golf Meet in 1930, and the University was off and running in the sport. The last few years have not been as successful as the previous 30, but indications point toward an "up" trend for Longhorn golf again.

A TYPICALLY BUSY SPRING

The months of March, April and May always are busy ones around The University of Texas athletic fields, since seven of the eight sports (the only exception is cross country) are in action sometime during the spring. This 1962 spring will be typical. At least one event (and sometimes as many as four or five) will be staged almost daily during the spring. Longhorn teams will be in action 21 of 31 days in March, 19 of 30 days in April and 10 of the first 14 days in May. When you remember that seldom does action take place on Sunday, and that you have to knock out the Easter "vacation," it becomes apparent that the Orange and White will be busy almost daily through the three-month period.

THE UNIVERSITY OF TEXAS

Although The University of Texas officially dates from Sept. 15, 1883, its history actually parallels that of the state all the way back to the days of the Republic of Texas.

The University received its first boost on Nov. 20, 1837, in a bill suggesting an institution of higher learning. The Second Congress of the Republic took no action at that time; however, even then, Texas' statesmen were hoping and planning for the educational future.

Since its opening, the University's purpose always has been to serve Texas through a program of instruction, research and public service.

With those goals in mind, it has developed into a statewide institution that is made up of more than the 12 colleges, 50 teaching departments and more than 50 research and public service units at Austin.

Component units are located at Austin, Galveston, Houston, Dallas and El Paso, each with its own role in the University's three-way objective.

The athletic administration is headed by Darrell Royal, athletic director and head football coach, and the Athletic Council.

ROYAL

ABOUT THE COVER

One of the greatest team comebacks in Texas history is climaxed as First Baseman Buddy New scores the winning run in a wild 11-10 victory in 10 innings over Texas A&M at Clark Field on May 10, 1962. The win gave Texas the 1962 Southwest Conference title. Down 9-2 after 3½ innings, the Longhorns battled back to win when Catcher Gary London hit a two-out double in the last of the 10th to score New, who had doubled.

THE 1963 LONGHORN OUTLOOK

GENERAL.—The 1963 Texas squad should be another representative team, although it will have to come up with adequate replacements for such departed standouts as Pitcher Tom Belcher, Second Baseman Pat Rigby and Center Fielder David Skinner. There is strength on the team, however. Headline returnees include Left Fielder Chuck Knutson, second team all-America in '62, Third Baseman Ed Kasper and Catcher Gary London, all-conference and all-district choices, and Pitchers Clady Hartenstein and Bob Myer, who were brilliant in the College World Series last June. Many of the necessary ingredients for success are present, but whether this team can equal last year's in "clutch ability" (nine wins by one run) remains to be seen.

NEW MEN.—Some very promising varsity candidates are coming up from the '62 freshman team that posted a 9-2 record. Headliners likely will be Pitcher John Geller (4-1), Third Baseman (he may move to second) Ed Demman (.472), Catcher-First Baseman Butch Thompson (.439) and Outfielder Ron Bandy (.366). The freshman team has produced several versatile players who are quite likely to play as soph because of their handiness at more than one position.

PITCHING.—Belcher's loss will hurt, of course. He had a remarkable career. But Hartenstein (6-2), Myer (2-0) and Geller appear to give the Longhorns a capable staff. The return of David Burleson (4-1 in 1961, ineligible last spring) should help. Soph Dick Peterson could be the bullpen thrower. In general, a good (although not exceptional) pitching staff.

CATCHING.—Quite strong. With London, one of the best in the country last spring, and the hard-hitting Thompson available, the Longhorns go to the post in particularly good shape behind the plate. Texas should have one of the better 1-2 catching staffs in the country—if London recovers from a pre-season injury.

INFIELD.—Solid on the left side. (Kasper at third, Bill Belcher at short) the infield shares up well if a replacement can be found for Rigby, a first-team all-America pick in '62. Demman and fellow sophomores Gene Ross (.338 at short) and Jimmy Clark (.236 at second) should be in the thick of the fight. Buddy New (.250) returns at first, with a pair of Thompsons—Sophomores Butch and Cecil—available as replacements. It should be a good infield, perhaps not as big a double-play threat as last year's.

OUTFIELD.—Although Knutson holds down one-third of the gardens in line shape, the other two-thirds may be a problem. Let termian Mike Thrash figure to be the No. 1 right fielder, but center appears open for grabs. Squadman Folsom Bell, Bandy and Sophomore Larry Finkle (a late starter because of backslab) where he's a starter) are three who may be in the picture. In summary, the outfield could be strong offensively but little more than average defensively.

THE LONGHORN 'RINGMASTER'

BIBB FALK, Head Coach

The Longhorn Hall of Honor named Bibb A. Falk to its elite membership last November. That honor means that the veteran Texas coach has won just about every honor that is being passed around.

An outstanding major-league player for 12 years . . . an outstanding two-sport star during his undergraduate days at Texas . . . one of the finest college coaches in the country . . . a winner—these are some of the capsule comments that apply to Falk.

This spring marks his 21st season as Texas field coach in baseball. His 20 years of service have been great ones for the Orange and White, too.

Check these qualifications: two National Collegiate championships, an NCAA second-place, an NCAA third-place, 14 Southwest Conference championships and two co-championships. His all-time UT coaching record is a superb 476-136.

Falk, who posted a stellar .314 career batting average in a dozen seasons with the Chicago White Sox and the Cleveland Indians, is one of the sharpest students of the game of baseball. Year after year, his Texas teams reflect his knowledge of the game and his coaching skills in their able performances on the playing field.

A perfectionist who isn't known to build his players up much (one of his favorite terms is "smile"), Falk nonetheless has directed some of the college game's most spectacular teams. His fine 1962 NCAA third-place squad was a worthy successor to such fine earlier teams as the 1949 and 1950 collegiate championship clubs.

Falk starred in football and baseball for the Longhorns before signing with the Chicago White Sox in 1920. After a college career as a player and coach, he returned to the University in 1940 as field coach of the Longhorns, succeeding the late William J. (Uncle Billy) Dick in that category. He has been the Longhorn coach ever since—with the exception of three years of military service during World War II.

TEXAS' 1962 SEASON IN REVIEW

A Longhorn squad that refused to buckle under against extreme pressure fought back from the verge of elimination to win the South-west Conference title and then went on to take the NCAA's third-place trophy.

Texas won its last eight SWC games (four of them by one run and another by two runs) to qualify for post-season play. Then the Longhorns defeated Arizona in the District 6 play-off series to advance to the NCAA Tournament at Omaha, Neb.

Second Baseman Pat Rigby, who was named to the first team all-America; Left Fielder Chuck Knutson, picked on the second all-America team and Pitcher Tom Belcher—although overlooked by the all-America selectors, he definitely was one of the best in the nation—were particularly outstanding figures in the fine season.

They were joined on the all-Southwest Conference and all-District 6 teams by Catcher Gary London and Sophomore Third Baseman Ed Kasper, one of the most pleasant surprises on the entire Texas squad.

So able was the '62 team to come through when the chips were down that no fewer than nine of the Longhorns' 26 victories came by one-run margins. That pattern was set on the opening day of the season—when Texas downed Sam Houston State, 5-4—and continued almost all year, including the stretch run, a clinching 11-10 victory over Texas A&M in the SWC finale, a 1-0 victory over Arizona in the District 6 opener and a 3-2 NCAA World Series triumph over Ithaca College.

The season saw another exceptional coaching job by Bill Falk. The veteran coach produced another conference and district championship team despite an unexpected siege of injuries, a hitting attack that didn't come up to expectations and that continual strong pressure that took the measure of at least one opposing conference team.

Rigby was the team's leading hitter at .371 for the full season. He and Kasper had the Longhorns' top SWC marks, hitting .382. Knutson again set a blistering RBI pace. And Belcher was brilliant, posting a 12-2 record and an exceptional 1.24 ERA for the full distance. Belcher was particularly superb when he pitched the Longhorns to a 1-0 win over Arizona in the District 6 opener. That win has to go down as Texas' most impressive performance of a generally impressive season.

The Texas Freshmen, who probably will supply several strong candidates for the 1963 varsity, wound up with a 9-2 season record.

* A&M beat Texas 2 of 3 to qualify for NCAA playoff.

* Texas beat SMU 2 of 3 to qualify for NCAA playoff; Texas finished second in NCAA.

CHAMPIONSHIP SUCCESS STORY

The University of Texas has a stranglehold on Southwest Conference baseball. Of the 17 baseball titles awarded by the Southwest Conference in the league's history, Texas has won 35 outright and has shared two crowns. TCU has captured the pennant twice, Baylor once. Neither SMU nor Rice ever has won an outright SWC baseball championship, although SMU tied the Longhorns for the top spot in 1953.

A MEMORABLE VICTORY

The date: May 10, 1962.
The place: Clark Field, Austin.
The teams: Texas and Texas A&M.
The venue: a place in the NCAA baseball playoffs.
The score: Texas 11, Texas A&M 10, in 10 innings.
Those late facts, however, don't begin to tell the story of the Longhorns' fantastic comeback victory.
Ed Kasper doubled in a run in the seventh, 9-3.
Leading off the eighth, Lou Brazleton walked, and Buddy New homered. 9-5. Two walks and a double loaded the bases. David Skinner grounded out to drive in one, 9-6. Chuck Knutson was safe on an error, one scoring. 9-7. Brazleton walked, forcing one across. 9-8.
After A&M scored once in the top of the ninth to lead it, 10-8, the an error and Ed Kasper's infield single.
With two out in the bottom of the 10th, New bounced a ground-rule double over the right field wall. Gary London doubled to deep left.
Everybody—and there were upwards of 4,000 of them at the park by then—just went nuts.

MEET THE LONGHORNS

RON BANDY—Soph.—Outfield—(B-R, T-R)
Had good frosh season (.366), tied for lead in runs scored . . . regarded as good varsity prospect who is likely to play as soph . . . 20, 5-11, 180 . . . from Lubbock.

FOLSOM BELL—Jr.-Sq.—Outfield—(B-R, T-R)
Did good job as fill-in outfielder a year ago . . . likely to be prime contender for a starting job this season . . . needs to improve hitting average (.208) . . . has good potential . . . 20, 5-10, 195 . . . from Dallas.

BILL BETHEA—Sr.—2L—Shortstop—(B-R, T-R)
Has been a good shortstop for two seasons . . . should be a key player this spring . . . had .245 average last year but finished well . . . good eye, has drawn 64 walks in two years . . . played summer semi-pro ball . . . good on the double play situation . . . sometimes fights himself . . . 21, 5-11 1/2, 172 . . . from Houston.

DAVID BURLESON—Sr.—1L—Pitcher—(B-R, T-R)
Returning after missing the 1962 season . . . did a fine job in '61, posting a 4-1 record (and the best ERA, 2.79) . . . if he's as effective as he was two years ago, he'll help the pitching corps a great deal . . . 22, 6-2, 195 . . . from Austin.

JIMMY CLARK—Soph.—Infield—(B-R, T-R)
Will get a late start because of varsity basketball . . . colorful little player . . . batted .250 as freshman second baseman . . . 19, 5-9, 175 . . . from Dallas.

JOHN COLLIER—Soph.—Pitcher—(B-R, T-R)
Was most effective fresh pitcher (4-1, 1.90 ERA against toughest rivals) . . . real good competitor . . . should be prominent as soph. had good summer semi-pro season . . . 19, 6-0, 175 . . . from LaRue.

ED DENMAN—Soph.—Infield—(B-R, T-R)
Fresh team's top hitter (472) . . . top contender for varsity job played third base as freshman, may move to second this spring . . . led fresh club in doubles, struck out only once in 11 games . . . good gloveman . . . 19, 5-9, 165 . . . from Tulsa, Okla.

LARRY FRANKS—Soph.—Outfield—(B-R, T-R)
Like Clark, will start late because of basketball . . . averaged .258 as freshman . . . fine natural athlete . . . 19, 6-5, 200 . . . from Nacogdoches.

CHARLEY HARTENSTEIN—Jr.—Pitcher—(B-R, T-R)
Had exceptional sophomore season (6-2 record, 2.56 ERA) . . . pitched brilliant baseball in College World Series . . . if he continues improving, he will be a remarkable college pitcher . . . 20, 5-11, 155 . . . from Seguin, where he single-handedly pitched his high school team to the 1960 state title.

BILLY HOWELL—Jr.—Sq.—Infield—(B-R, T-R)
Did not see action last spring . . . batted .414 as a freshman in 1961 . . . could be a factor this year . . . 20, 5-10, 170 . . . from Corpus Christi.

JOE HOWELL—Soph.—Sq.—Outfield—(B-L, T-R)
Did not play last season . . . hit .250 as a 1961 freshman . . . since he's a lefty hitter, could be in the picture this year . . . 20, 6-1, 180 . . . from Grand Prairie.

ED KASPER—Jr.—Third Base—(B-R, T-R)
Did an outstanding job last season . . . earned all-conference and all-district honors . . . batted .336 in season and tied for team high at .382 in conference . . . makes long across-the-diamond throw look real easy . . . fine competitor . . . real good defensively . . . impressed everyone at Omaha . . . distinct candidate for all-America this year and next . . . 20, 6-2, 165 . . . from Austin.

CHUCK KNUTSON—Sr.—21—Outfield—(B-R, T-R)
Certainly a proved player . . . all-America as a sophomore, second team last year . . . all-SWC and all-district two years . . . prime candidate again as a senior . . . strong power hitter who is improving all the time as an outfielder . . . has 69 RBI in two seasons, plus 63 walks . . . very fine collegiate player . . . already one of UT's top home-runners . . . 22, 6-1, 180 . . . from San Antonio.

GARY LONDON—Sr.—21—Catcher—(B-R, T-R)
One of the best catchers in the country last season . . . top contender for all-America honors this time . . . batted .299 for the full 1962 season . . . very fine defensive catcher who is an A-1 competitor . . . all-conference and all-district last time out . . . injured a finger in pre-season drills . . . has 38 RBI in two seasons . . . 21, 5-11, 175 . . . from Oklahoma City.

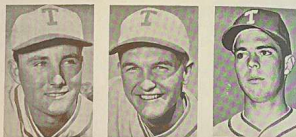

BOBBY MASTERSON—Sr.—Sq.—Infield—(B-R, T-R)
Did not see action last season . . . hit .348 as 1960 freshman . . . 22, 5-9, 165 . . . from Beaumont.

ROBERT MATLOCK—Jr.—Sq.—Pitcher—(B-R, T-R)
Was 0-2 last spring . . . had 1-0 record, 3.07 ERA as 1961 freshman . . . 20, 5-10½, 160 . . . from Dallas.

BOB MYER—Jr.—Pitcher—(B-R, T-R)
Pitched particularly well in NCAA College World Series . . . had generally shaky sophomore year because of inconsistent control . . . posted 2-0 record, 4.30 ERA . . . regarded as having great potential . . . was outstanding (4-0, 1.00 ERA) as freshman . . . good hitter for a pitcher . . . should be more prominent this season, especially if control comes around . . . 20, 5-11½, 165 . . . from San Antonio.

JERRY ORMAND—Sr.—Sq.—Infield—(B-L, T-R)
Saw limited varsity duty in '62 as infield reserve . . . could figure in second-base picture this spring . . . has good defensive ability . . . 21, 5-10½, 150 . . . from Odessa.

RUDY NEW—Sr.—21—First Base—(B-L, T-L)
Has .250 in limited duty last season, but his homer and double triggered Texas to that 11-10 SWC-clinching victory over Texas A&M . . . has good defensive ability . . . 21, 6-0, 165 . . . from Odessa.

DICK PETERSON—Soph.—Pitcher—(B-R, T-R)
Could turn into short-arming thrower . . . was 2-1 with 1.93 ERA as freshman . . . 19, 6-1, 195 . . . from Austin.

STEVE RADCLIFFE—Soph.—Catcher-OF—(B-R, T-R)
Hit .263 as a freshman . . . may work in somewhere this season . . . 20, 5-11, 170 . . . from Houston.

GENE ROSS—Soph.—Infield—(B-R, T-R)
Had a good freshman season (.326, second high in RBI) . . . might figure this year, possibly at second base . . . reliable defender . . . 20, 6-2, 180 . . . from Odessa.

BUTCH THOMPSON—Soph.—Catcher-1B—(B-L, T-R)
Very fine prospect who can hit the long ball . . . batted .439 with two homers, 15 RBI as freshman . . . can catch, play first base, play in the outfield . . . you can be sure that he will be playing somewhere . . . excellent natural athlete who could be top-notch in any sport . . . 20, 6-4, 190 . . . from Roswell, N.M.

CECIL THOMPSON—Soph.—Outfield-1B—(B-L, T-L)
Batted .318 as a freshman . . . good clutch hitter . . . his versatility should give him a good chance of playing as a sophomore . . . 19, 5-11, 170 . . . from Houston.

MIKE THRASH—Sr.—11—Outfield—(B-R, T-R)
Batted .220 and turned in some fine defensive plays last spring . . . his last-out running stab saved Longhorns' 1-0 playoff win over Arizona . . . a step too slow to be a great outfielder, but does a fine job . . . should be one of the busiest 'Horns this spring . . . 21, 6-2, 190 . . . from Denver, Colo.

THE NAME'S 'LONGHORNS'
Mr. D. A. Frank (1903-1905) is the source of how The University of Texas teams became known as "Longhorns." He related in a 1945 letter to "The Firing Line" column of "The Daily Texan" that Alex Weisburg in 1903 was editor-in-chief of "The Texan" and one day told Mr. Frank, "D. A., hereafter in every sports article call the team 'The Longhorns' and we'll soon have it named." These instructions were followed and passed down for several years, according to Mr. Frank, and "along about 1906 or 1907, the name became official."

TEXAS' SCHOOL COLORS
The colors Orange and White were officially adopted on May 10, 1909, after a three-cornered fight between students at the Main University, the School of Medicine and ex-students. The colors were first used in the spring of 1884 when a special train of students went to Georgetown for a baseball game with Southwestern.

FEW LOSING RECORDS

The 1963 season will be the 67th in which Texas has fielded a baseball team. Only four of the 66 predecessors (1890, 1910, 1955 and 1956) failed to finish at or above the .500 mark for the season.

WANTED: AN ADDING MACHINE

The most runs a Texas baseball team has ever scored? A whopping 46, in a 46-19 victory over Manchaca in the 1896 season, complete records of which are not available. The 1925 Longhorns scored 44 to open the season with a rousing 44-4 romp over Southwestern. As for total runs, however, a curious 35-32 victory Dime Box scored over Texas in 1896 has to take the cake.

TEXAS' "GRAND OLD MAN"

W. J. (Uncle Billy) Disch

The late William J. (Uncle Billy) Disch, who coached the Texas Longhorns for 29 years (1911-39) and served as advisory coach for a dozen more seasons, guided Texas baseball teams to 512 victories as against only 180 defeats. While compiling this career 744 percentage, Mr. Disch coached 20 Southwest Conference championship teams.

His outstanding service to the University as a person as well as a coach, has endeared him to the memory of his players and others closely connected with Longhorn athletics. Honors that have come to him include enshrining in the Longhorn Hall of Honor and election to the Texas Sports Hall of Fame.

DISCH

MILESTONE VICTORIES

The University of Texas has scored a total of 1,085 victories in baseball (965 of them against collegiate opposition). These are the important milestones in that outstanding record.

FRESHMAN BASEBALL

TIM ALLEN, Freshman Coach

(Roster and Schedule to be Announced)

ALLEN

A former Longhorn pitcher (1960-62), Tim Allen will be coach of the 1983 Texas freshman baseball team. A native of Oklahoma City, Allen was the outstanding pitcher for the 1959 freshman team. Arm troubles hampered his effectiveness as a varsity hurler, but he remained valuable to UT's three straight SWC championship teams through a combination of some pitching, some pinch-hitting and an extremely fine job of base coaching. Allen returned to the University this year for additional academic work. He succeeds Roy Enderlin, the freshman coach for the last two years.

TENNIS

A great tennis player in his own right, Wilmer Allison now is utilizing his talents in producing some outstanding tennis teams at The University of Texas. This will be his seventh year as the Longhorns' head coach. He succeeded Dr. D. A. Penick, the only other tennis coach the University ever had, and has continued Texas' rich net tradition—as the 1961 Southwest Conference team title indicates. As a player, Allison won the NCAA singles championship in 1927. He became a member of the Davis Cup team the next year and played on the team through 1937. He was national singles champ in 1935 and a member of the championship mixed doubles team in 1930. He also played on the championship men's doubles teams in 1931 and 1935. He was Wimbledon singles runner-up in 1930 and Wimbledon doubles champion in 1929 and 1930. He is a long-time member of the USLTA executive committee and the Davis Cup selection committee. And he's an excellent golfer, being especially tough on the putting greens. He is a member of the Texas Sports Hall of Fame.

TEXAS' 1962 TENNIS IN REVIEW

Although it wasn't in the looks for the Longhorns to repeat as Southwest Conference champions (Rice won the 1962 tennis team crown), Texas came up with another strong net team.

WALTERS

Seniors Mac White and Neil Unterecher and Sophomore Jerry Walters were among the most outstanding performers—along with John Heath, a '62 junior who was Texas' only unbeaten (4-0) player in SWC singles competition.

Texas put together a 27-9 record in conference play, losing only against Rice and drawing against third place Texas Tech. Impressive victories included 6-0 sweeps of Baylor and TCU, and 5-1 triumphs over Texas A&M and a strong SMU squad.

Heath and Walters (5-1) were Texas' most successful singles players against conference opponents. White and Unterecher each posted a 4-2 singles record, and the two seniors combined for a 5-1 doubles record.

LONGHORNS' TENNIS HISTORY

Tennis was played at The University of Texas as early as 1894, although it was not until 1909 that intercollegiate competition developed. Between that time and the advent (in 1915) of the Southwest Conference, Texas and Oklahoma annually held a meet for the championship of the Southwest. The University sent its first many representatives to the NCAA Tennis Meet in 1920. Since then in the sport, winning 12 of 15 team titles, taking 27 of 45 singles crowns and capturing 32 of 45 doubles titles. Texas also has been a strong representative in the NCAA Meet through the years.

GOLF

One of the finest coaches and teachers of golf in the United States, Harvey Penick is starting his 33rd year as director of Longhorn golf fortunes. He has tutored 20 Southwest Conference championship teams, 19 SWC individual winners, three NCAA runners-up and one NCAA champion (Ed White in 1955). A cousin of Dr. D. A. Penick, the veteran former Texas tennis coach, Harvey is respected as one of the finest instructors in the game. His 1949 Longhorn team tied for second in the NCAA Tournament, and he has had Texas well up in the NCAA standings on any number of other occasions. He had the unequalled record of producing 19 SWC team champions within a space of 21 years (1922-52, inclusive).

TEXAS' 1962 GOLF IN REVIEW

Operating exclusively with sophomores down the Southwest Conference home stretch, the Longhorn golf team nevertheless managed to finish in fourth place in the 1962 S.W.C. team race.

MUNN

With those sophs returning for two more years, indications are that Texas—once the dominant team in conference golf—may be on the way back.

At the end of the 1962 season, Bill Munn, Terry Kahn, Ronnie Thomas and James Thompson were playing in that order on the Orange and White squad. All were sophs.

Texas' most successful matches in S.W.C. play came against Texas Tech (the Longhorns won, 5-1) and against Rice (Texas scored a 4-2 victory). Two other conference matches were halved.

Munn and Kahn represented the University in the S.W.C. Individual Championships at Waco.

LONGHORNS' GOLF HISTORY

Golf did not become a Southwest Conference sport until 1927, and no records are available regarding Longhorn competition before that time. However, it didn't take the Orange and White long to start dominating the conference on the links—the Longhorns winning the first two team championships ever decided. Texas sent its first representatives to the NCAA Golf Meet in 1930, and the University was off and running in the sport. The last few years have not been as successful as the previous 30, but indications point toward an "up" trend for Longhorn golf again.

SPRING'S A BUSY TIME AT TEXAS

From the first of March until the middle of May, it's a peculiar day that falls to find at least one athletic team representing the University of Texas in active competition. During the spring, coming days of the basketball and field, golf, tennis, baseball, the football. Also the University serves as host to the various interscholastic league state meets (boys' and girls' basketball and the annual Texas Relays and it's easy to see that spring really keeps the Longhorns moving.

Dear Chuck:

I am pleased to inform you that the Longhorn Legends baseball medallion collection project is almost complete now. Enclosed you will find the Commemorative Medallion folder and one of your medallions in its folder slot.

We thank you for your participation in this project and hope that you are pleased with the results. We will have the complete production of medallions soon and at that time we will send you the remaining medallions to complete your set.

We will begin the marketing of the Medallion Series in the next few weeks. The Medallions will be available for sale starting Friday, March 2nd. This is the weekend of the home baseball series with Oral Roberts at UFCU Disch-Falk Stadium.

In addition, we would like to invite you to The Co-op on Saturday, March 03, 2007 for an autograph event on the main floor from 11:00 am to 1:00 pm. Game time is set for 2:00 pm on that day. We will also be unveiling a framed medallion folder in honor of the 25 Longhorn Legends in the store that day. If you are able to come, we will present to you a framed medallion folder that you can display in your office or home.

Our V.P. of Marketing, Brian Jewell will follow-up with you to see if you would be able to attend this event on Saturday, March 3rd. He will also be able to provide you more details on the event and work with you on any travel arrangements that you might need.

Again, thank you very much for your participation. We hope to see you in Austin on March 3rd.

Sincerely,

George H. Mitchell

Dear Chuck:

The commemorative medallions and folders have arrived and hopefully you have received your complete set in the mail. We are very pleased with how the project turned out and we again thank you for your assistance in this project.

The autograph session scheduled for Saturday March 3rd is set and we appreciate your participation in this event. I have spoken with just about all of the living legends and the following legends have made a commitment to be here on the 3rd.

Coach Cliff Gustafson
David Chalk
Kirk Dressendorfer
Brooks Kieschnick
Chuck Knutson
Wayne McDonald
Keith Moreland
Calvin Murray
Richard Wortham

If you know of someone who plans on attending and I have not listed them, please have them contact me to ensure that we have planned the event correctly.

The store opens at 9:30 am on Saturday and we envision the event will start at 11:00 am. We will have brief opening comments, the grand unveiling of the permanent framed piece here in the Co-op and then we will let our customers to meet you in an orderly fashion and get an autograph. You can stay as long as your time allows, but we will try to wrap it up around 12:30 to 1:00 so we can get everyone to the game. Explore UT is also that weekend, so there will be a nice crowd of customers in the store.

You can park in our new parking garage behind the store at 23rd and San Antonio. Walk across our old parking lot, past the world's largest Longhorn, and come in the back entrance. Just bring your parking ticket in to me for validation.

If you have any questions, please contact me at 512-476-7211 ext. 8116 or bjewell@universitycoop.com. Thanks for your support and we look forward to seeing you on the 3rd.

Dear Chuck:

Congratulations on making the all-America team this spring! I think they made an awfully good choice, but I'll have to admit it came as a surprise -- I thought we had killed off any of our all-America chances on our lack of showing at Omaha.

I thought you might be interested in seeing the enclosed final statistics and the wrap-up of the season. I've been working on it ever since we got back, at least as soon as I could throw off the effects of the nine million mile bus ride!

Again, very sincere congratulations. This puts you into some really select company at Texas -- just the third first-team all-America player the University has had. But it is really a deserved recognition.

Good luck this summer, and be seeing you in the fall.

Regards,

Orland Sims

I M M E D I A T E R E L E A S E

A U S T I N , June 14 --- The naming of Left Fielder Chuck Knutson to the first-team all-America by the American College Baseball Coaches Association has wound up another very successful baseball season at The University of Texas.

Texas won its 37th Southwest Conference championship, defeated Arizona in two games in the District 6 playoff and competed in the 1961 College World Series at Omaha, Neb., tying for seventh place.

Although they lost at Omaha in two games, falling before Southern California (8-6) and Western Michigan (8-2), the Longhorns closed the 1961 books on a season that included 22 wins, just six losses and two ties.

It was another outstanding coaching job by Bibb Falk, as the former major leaguer did an exceptional juggling job, putting together an eventual starting lineup that included eight men who were more familiar in infield positions.

Each of the outfielders had infield backgrounds. Knutson, who had a sparkling .378 average in a brilliant sophomore campaign, had pitched and played third base in high school at San Antonio. Center Fielder David Skinner had been an infielder earlier and played third base last year. Right Fielder Lew Brazelton had played first base for the Longhorns last season, although he had worked some in the outfield in high school at Houston.

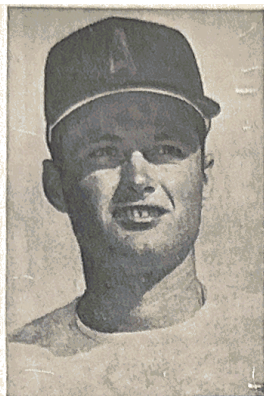

With Knutson setting the pace, the Longhorns hit the baseball at a .307 team clip during the full season. Second Baseman Phil Higgs wound up his Texas career with a .366 season; Third Baseman Pat Rigby hit at a .356 clip; Pitcher Bob Callaway batted .333, and Skinner posted a .331 season average.

Austinite David Burleson headed up the thin Texas pitching staff on the basis of earned run average -- 2.79 for the full season that included a 4-1 record for the junior righthander. Callaway went 7-4, including a loss to Southern Cal in the World Series, with a 3.98 ERA. Junior Tom Belcher of Oklahoma City was 6-1 with a 4.32 ERA, his only defeat coming against Western Michigan in Texas' second and final tournament game.

The selection of Knutson to the all-America team -- he is but the third Texas player

Sam Houston Shows Power

By JOHN TROWBRIDGE

Sam Houston's Cherokees loomed Saturday as the team to beat in the forthcoming District 28-AA race following the Cherokees' thrashing of Northeast, 32-0.

Coach Glen Crocker showed his 1957 Sam Houston edition Friday night before a packed house at the Sam Houston field. And it was a sight to behold.

Hard-running Backs Allen Shuler, Melford Henkes and Charles Davis slashed and ripped through the Northeast line and a tough forward wall led by Arthur Gray, Jack Paris and Robert Grahman held the Brahmas to 72 yards rushing.

HALFBACK INJURED
While Sam Houston followers were thinking in terms of a bright future the Northeast fortunes were taking a turn for the worse.

Lost to the team Friday night was star Halfback Chuck Knutson, who was knocked out of the game with a broken collar bone early in the first quarter. Said Coach Damon Hollingsworth:

"He's the best back I've got. It's a mighty tough blow to lose a boy like that." Whether or not Knutson will be out of action the remainder of the season is not known as yet. But it is likely an injury

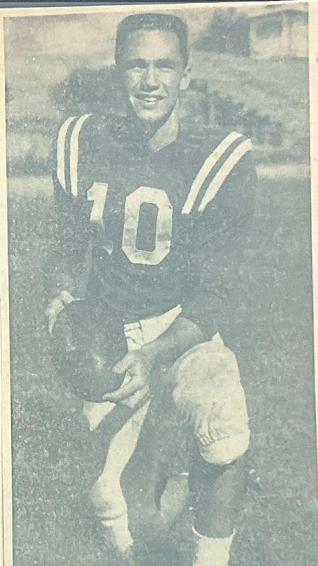

of that nature will put the fleet runner on the shelf for the better part of the season.

Henkes rolled up 98 yards rushing for the Cherokees and scored two touchdowns. Shuler, the quarterback, rolled for 73 yards and completed 3 of 4 passes good for 32 yards. Davis, a halfback speedster, accounted for 87 yards. In all the Cherokees gained 302 yards through and around the Northeast line.

Sam Houston takes on Edgewood at Alamo Stadium next week. Northeast journeys to South San to battle the Bobcats.

Knutson Out For Five Weeks

Chuck Knutson, shifty halfback of the North East High School team, will be lost to his squad for at least five weeks, because of a broken collarbone suffered in the game with Sam Houston last Friday.

Knutson was injured in the first five minutes of the game and taken from action.

Last season Knutson was out a part of the season with a badly injured ankle.

MacArthur Meets Seguin

The Seguin Matadors, who to New Braunfels, have lost still hold to a slim mathematical possibility of capturing the District 13AAA championship, scored but 22 points this season with the winless MacArthur Brahmas Friday at 8 p. m. at North East field.

Seguin is 14 in 100 play and can stay right on the heels of leaders San Marcos and Kerrville with a win Friday night.

The crippled Brahmas, who last week suffered a 30-0 loss

to New Braunfels, have lost scored but 22 points this season with the winless MacArthur Brahmas Friday at 8 p. m. at North East field.

New Braunfels Threat to Edison?

By JOHN TROWBRIDGE

The New Braunfels Unicorns served fair warning to Edison's mighty Bears Friday night that they are not to be taken lightly when the two teams collide next Friday evening at New Braunfels.

The Unicorns, in perhaps their finest performance of the season, ripped, slashed and otherwise outclassed a game Northeast eleven, 23-7, at North-east field.

It was the Unicorns' first win in District 13AAA play and the second setback for Northeast.

A bevy of speedy backs, David Biederman, Henry Munoz, Sam Burio and Ronald Renz all combined to make life miserable for the Brahmas, despite the efforts of Northeast's Chuck Knutson.

Knutson was the most spectacular back on the field and gave the Brahmas' line offensive thrust against the Unicorns. The Brahmas' quarter-back, who missed six games because of a broken collarbone, rushing for 110 yards in 13 car-ries.

88-YARD TD RUN

One of his dashes was an 88-yard burst on the third play from scrimmage of the game that set the stage for Northeast's

quarter. But there New Braunfels stiffened and began a march of its own. A pass interception halted the drive on the Northeast 7. Three plays gained to the 14. Then a bad snap from center on fourth down sailed over Eng-lish's head and out of the end zone for a New Braunfels safety.

Later in the same period Northeast punter Arnold English fumbled the snap from center and New Braunfels took over on the Brahmas' 44. It took the Unicorns 12 plays to go the distance. Renz capped the drive by plunging over from the 1. Wis-dom's conversion made it 14-7 at the half.

North East Gives Tivy 18-13 Scare

A spunky but outclassed band of Brahmas from North East High School almost pulled out a spectacular upset Friday night at Brahma Stadium before finally bowing 18-13 to a fast and powerful Tivy Antler eleven from Kerrville.

From just about a minute before the start of the final period until the end of the game, the near capacity crowd witnessed some of the most exciting football seen in San Antonio this year.

The Brahmas, behind 12-6 at the half, scored on Bill Alston's 88 yard run in the tail end of the third stanza. Gary Nelms calmly booted the point after touchdown for the jubilant North Easters and the Brahmas led 12-12 as the game moved into the final period.

Kerrville mustered two brief rallies early in the period but both were halted by interceptions as the crowd went wild in anticipation of a Brahma upset.

With about five minutes left to play, North East took possession on its own 28. A pair of good runs by Arnold English and Alston moved the ball to the 44.

East 44. The Brahmas stalled on third down as quarterback Chuck Knutson was thrown for a yard loss. On fourth down, with four to go for a first and about four minutes left, Knutson electrified the crowd with a short jump pass to Kenney Davis that just barely made the necessary yardage.

Three plays later the Brahmas were in a similar situation. With six yards to go on fourth down, Knutson elected to gamble again with a pass instead of punting. His second gamble didn't pay off, however, as the hard charging Antlers broke through to throw him for a five yard loss.

Kerrville took possession on the North East 40. On the first play Tivy fullback Spencer Brown went 30 yards to the Brahma 10. Four plays later, after some stalwart Brahma defensive play, Kerrville quarterback Alton Rhodes traveled eight yards around right end for the game-winning touchdown.

Kerrville scoring: Daniels 2, Bryant 18, Rhodes 28-yard pass from Rhodes, Rhodes 18-yard run.

FOOTBALL FUTURE BOOK

Stars Numerous In Area Games

Stars were numerous in the high school football games which were not rained out last weekend, and most of the players in this week's Football Future Book proved they could scamper around in the mud.

In the immediate San Antonio area, football was a messy business last weekend. But four offensive unit stars and four defensive men definitely rated consideration as possible all-district or all-state mentions on the basis of last week's work.

First the defensive stars:

LARRY GRAHAM, Kerrville Tivy end—Every team knows it will expect a rough evening going around Graham's end, but he still manages to keep making the key tackle. He led the terrific Tivy defense which registered a startling 12-6 upset of Brownwood Friday night. The Brownwood squad had averaged 500 yards rushing per game but was contained effectively by the Tivy line.

REN NELSON, Jefferson tackle—In the "big game" against Austin Stephen F. Austin Nelson intercepted one pass, knocked down another and made numerous tackles as the Mustangs won, 7-0.

TOM CARMICHAEL, Harlandale center—This Indian lineman came into his own against the San Antonio Tech Buffaloes as he charged through to make many tackles against the tough Buffalo backfield.

PANGHO MALAKOFF, Texas Military Indians center—One of the few touchdowns scored by a lineman in this area went to Malakoff in the TMI-St. Stephen's game when he covered the ball on an opposing punt try in the end zone. He also led the hard-charging Panther line in the 14-0 victory over St. Stephen's.

And now to the offense:

CHARLEY DAVIS, Sam Houston—Showing a twisting, whirling-dervish type of running, the Sam Houston Cherokee speedster scored three times on runs of 17, 35 and 68 yards against the Lanier Vols.

CHARLES SHEPPARD, San Antonio Tech—In the fierce battle with the Harlandale Indians, Sheppard scored all three of the Tech touchdowns, one coming on a 55-yard scamper in the last minute. His other two were runs of seven and 20 yards.

CHUCK KNUXTON, MacArthur—One of the few lettermen in the North East district, Knuxton scored all 14 points and had a spectacular 55-yard touchdown run called back in the MacArthur 16-11 loss to a fast, experienced Burnet team.

JOE SANCHEZ, Edgewood—This speedy Red Raider back scored touchdowns on runs of 56 and 65 yards and also starred on defense in the Raiders' 42-0 rout of the Southwest Dragons.

Rebuilding Foes Clash at Edison

Two teams in the process of rebuilding their football fortunes clashed at Edison Stadium at 8 p.m. Friday. They are the MacArthur Brahmas and the Edison Bears.

MacArthur, the old North East school, suffered depletion of its grid forces when Robert E. Lee was built. Edison simply ran out of veteran material after enjoying seven years of success.

Both sustained injury to their pride last week by losing their football inaugurations. MacArthur bowed to Sam Houston, 22-0, 100 yards deficit.

Although inexperienced, Edison enjoys a vast edge in manpower, and the Bears' depth probably will prove too much for the talent-short Brahmas.

The game will be Edison's 100th home date.

Renz Paces District Win Of Unicorns

The New Braunfels Unicorns unsheathed a sharp option series and a passing attack that clicked when it counted Friday night at Brahma Stadium and wound up with a 23-7 triumph over North East in a District 13-AAA contest.

Leading the Unicorn attack was quarterback Ronald Renz who scored one touchdown, passed for another and paced the New Braunfels' running attack all night long. Renz got some fine blocking from the Unicorn line that consistently cut down Brahma defenders on the option play.

The New Braunfels victory threw the Unicorns and the Brahmas into a tie in District 13-AAA, standings with each club currently holding a 1-2 league record. It was a particularly sweet victory for the New Braunfels club that was on the short end of a 59-7 battering at the hands of Kerrville last week.

Key man for North East was quarterback Chuck Knuxton, who last week led the Brahmas to their first victory of the season, a 14-0 triumph over Seguin.

On the first series of North East plays Knuxton took off around his own left end and scampered 85 yards for what turned out to be the only Brahma tally of the evening. Gary Nelson boosted the extra point to give North East a quick seven point lead.

Not until the second quarter did the Unicorns battle back for a score of their own. Halfback Jesse Wisdom ran back a Brahma punt 40 yards to the North East 40 to start the drive moving. Two plays later Renz pitched 24 yards Sam Burto to put the ball deep into Brahma territory. The touchdown was scored on a double-reverse end around play with rangy Kenneth Walker carrying the ball the final 15 yards. Wisdom kicked the first of his three extra points.

The Unicorns surged out into the lead just before the half ended on a 41 yard march following a North East attempted punt that never got into the air due to a fumble in the backfield by kicker Arnold Englich. The Unicorns ground out the 41 yards in 12 plays with Renz carrying over from the one for the score.

New Braunfels added two more points to their total in the third quarter, when another Brahma

Brahmas Clash With Rattlers

The MacArthur Brahmas again will be crippled Friday night when they clash with the undefeated, untied San Marcos Rattlers at North East Stadium in a District 13-AAA game.

Chuck Knutson, major scoring threat of the Brahmas, will see little if any action. Also on the injured list are substitute tackle Gary Ashcraft, end Ronyce Longwood and guard Vernon Alberts.

The mighty Rattlers have scored 277 points in their eight straight wins and allowed the opposition only 12.

This week the Rattlers will be playing in new uniforms and new equipment, as all the football equipment was destroyed in a fire which gutted the field house last Saturday.

Roddy Bagley has been a tremendous running back for the Rattlers this season. Danny Leinweber at quarterback also has been impressive for the Rattlers with his passing and running.

Danny Parsley has been the big gainer for the winless Brahmas since the injury to **Knutson**.

Unfortunate Brahmas, Unicorns Vie

Chuck Knutson, main scoring threat of the MacArthur Brahmas, will be out of action completely for the MacArthur District 13-AAA battle at New Braunfels against the Unicorns Friday night.

Knutson hurt a knee and twisted a foot in the 49-0 loss to Kerrville Tivy and may not play again this season.

Three other Brahmas are on the casualty list but might see limited action. They are Danny Parsley, linebacker, back injury; David Santoy, back, ill, and Alvin Houston, second team back, ill.

Sonny Schlamans, a big end, is scheduled to see limited action the first time Friday night. He has been plagued with injuries for weeks.

The Brahmas have lost six straight this year. The Unicorns have won one and lost five.

The Unicorns also will be nursing bruises suffered in a 50-0 district licking at the hands of the San Marcos Rattlers last week.

San Marcos Wallops MacArthur

The San Marcos Rattlers scored in every period Friday night at MacArthur and marched on undefeated with a crushing 60-6 victory. It was their ninth straight triumph.

The Rattlers struck from the air and on the ground, piling up 26 first downs and a grand total of 441 yards.

An unusual turn in the game saw the visitors score two safeties in the first period and lead at the end of the quarter, 4-0.

They then broke loose, tallying 26 points in the second period, 22 more in the third and polishing it off with 8 in the fourth.

MacArthur was scoreless until the final seven minutes of the game when a 50-yard passing combination, Quarterback Rudy Ingersol to End Carl Rafferty, clicked for a touchdown.

Quarterback Tom Webb, Fullback Nathan Porter, Halfback Bonnie Garza, Quarterback Danny Leinweber, Halfback Ronnie Bagley, Fullback Kenneth Hahn and End Jimmy Parker all had a hand in the scoring.

Two long passes, both hurled by Webb with Parker on the catching end, featured the attack. One was good for 35 yards, the other for 20. Another Webb pass hit Porter for 35 yards. A Leinweber pass was completed to Bagley for 50 yards.

Boerne Clips MacArthur

BOERNE—(Spl.)—The Boerne Greyhounds fought an uphill struggle in vain here Tuesday night as the fast-breaking MacArthur Brahmas, led by Dick Wilson's 19 points, won a fast-moving basketball game, 70-54.

Eugene Canavan, Boerne's ace, fouled out midway of the third quarter after scoring 25 points, and the Brahmas then moved away. Boerne led, 20-15, in the second quarter but MacArthur grabbed a 30-22 halftime advantage. Five or six points separated the two teams after the intermission until Canavan left the game.

MACARTHUR (70) — Caquelin 15, Knutson 2, Grubbs 3, York 4, Offer 3, Wilson 19, Nixon 6, Schlameus 0, Fulton 12, Putache 12.

BOERNE (54) — Bundy 11, Lester 6, Thompson 2, Canavan 26, Rhodes 10, Aycock 0, Lex 0.

Halftime score: MacArthur 30, Boerne 22.

Bobcats Visit At MacArthur

South San Antonio's undefeated Bobcats trek northward Friday night to engage crosstown rival, MacArthur, in a game which has only prestige at stake.

Led by Ted Lerma and Eugene Garcia, the Bobcat backfield has chalked up 70 points in its last three games, while the line which provided the openings has collaborated also in holding the three foes scoreless. Only an 8-8 opening game tie with Burbank mars South San's record.

MacArthur, short of material to complement **Chuck Knutson's** running, is winless and goes into the game a vast underdog.

Brahmas Beaten By 18-0

The Fredericksburg Hillbillies took advantage of three MacArthur mistakes at North East Stadium Friday night to take an 18-0 victory from the stubborn Brahmas.

Gary Hagle and Clyde Woerner scored the Hillbilly touchdowns following two MacArthur fumbles and a 15-yard penalty for roughing the kicker. Hagle plunged four yards to climax the first 35-yard drive in the first period, and Woerner sneaked twice for short-yardage in the second and third periods to cap drives of 30 and 20 yards.

Each touchdown came after the MacArthur defense had stiffened and held on downs. The Brahmas' defensive stars were Leroy Schulmeier, **Chuck Knutson** and Danny Parsley.

MacArthur made only one serious scoring bid, getting to Fredericksburg's 25-yard line where the drive bogged.

Dan Brodbeck, tackle, was Fredericksburg's outstanding lineman.

Burnet In Win Over Brahmas

BURNET—(Spl.)—The Burnet Bulldogs beat the MacArthur Brahmas, 16-14, Friday night in a driving half-inch rain.

The Bulldogs were tied, 8-8, in the first quarter, fell behind in the second but forged ahead in the third and held MacArthur scoreless to the end to maintain their slim two-point lead.

Butch Baker scored first for Burnet, running 53 yards to a touchdown. Bill Goodman ran over the conversion. Then the Brahmas' **Chuck Knutson** tied it up with a 15-yard touchdown run and two-point conversion.

In the second quarter **Knutson** ran the ball over from the three after a 42-yard drive. Teh extra point try failed. In the third quarter, Baker turned it on again and ran 41 yards to paydirt. Ronnie Petrick converted.

With more than a quarter left to play, the game was over as far as scoring was concerned. It was Burnet's third straight win of the season, although all its games have been non-district.

Outstanding players for the Bulldogs were Goodman, the sparkplug, David Garrison, Dennis James and Dwayne Hyman.

Brahmas Take On Herculean Assignment

The MacArthur Brahmas, whose depleted forces were further sliced by injuries to three linemen, attempt a monumental feat Friday night when they invade Kerrville for a District 13-AAA opener with the mighty Antlers.

Coach Wendell Rittiman's winless Brahmas lost the services of Sonny Schlamans, Carl Rafferty and Larry Fulbright with various injuries this week.

A surprisingly rugged crew for a team that has suffered five losses against teams blessed with superior manpower, the Brahmas pin their hopes on the running of **Chuck Knutson** and their defense sparked by Leroy Schulmeier and Vernon Albert.

Kerrville, a heavy favorite, relies on a pair of fast-stepping backfielders, Homer Stevens and Tommy Daniels, the passing of Alton Rhoden and the defensive play of ends Larry Graham and John Liljedahl.

Knutson at Quarterback For Brahma Team Tonight

The Brahmas of North East points out, New Braunfels was high play host to the New Braunfels Unicorns Friday night in quest week and is also pointing for a victory No. 2 in the 13-AAA contest.

North East was without a victory until last week when they topped Seguin, 13-0, in a district 13-AAA contest.

Sparkplug for the rejuvenated Brahma club is Chuck Knutson, out of the first six games of the season with a broken collarbone. It was Knutson, declares North East Coach Damon Hollingsworth, who led the Brahmas to their win last week.

Friday night Knutson will move in to the quarterback slot, replacing Mac Anderson, in an attempt further to pep up the Brahma offense.

Hollingsworth says his gridsters are in fine shape for the New Braunfels game. However, he

beaten badly by Kerrville last week and is also pointing for a victory.

Other Brahma backs who drew plaudits from Hollingsworth for their performance last week are fullback Bill Alston and halfbacks Larry Keel and Arnold English. The Unicorns have a 3-4 record for the year but are winless in two district games.

North East Wins Over Matadors

SEGUIN, Nov. 1. (Spl.) — Sparked by the return of halfback Chuck Knutson, North East's Brahmas won their first ball game of the season topping Seguin 13-0 here Friday night in district 13-AAA competition.

Knutson blasted over from the one yard line for the first Brahma touchdown to cap a strong first quarter drive. Gary Melms booted the extra point.

Halfback Arnold English tallied the second and final North East TD in second quarter sprinting eight yards for paydirt.

The Brahmas threw up a near perfect aerial defense to stymie Seguin's Matadors passing game. North East stuck mostly to the ground to chop out their victory, playing cautious and consistent.

The victory gives North East a 1-1 record in district play for the year and bumps the Matadors to 0-1 mark. Seguin now has a 2-5 slate while North East is 1-1.

Next week the Brahmas entertain the Unicorns of New Braunfels at North East Stadium in quest of a winning record in district play.

North East Takes On Unicorns

Chuck Knutson is back and the North East Brahmas have got him.

And he apparently makes quite a difference. Knutson was out for the first six games of the season with a broken collar bone. The Brahmas didn't win any of these first six games. Knutson came back last week and, presto, North East topped Seguin for its first win of the season as Knutson showed the way.

This week Brahma mentor Damon Hollingsworth has moved Knutson from his customary halfback post replacing Mac Anderson at quarterback in an attempt to beef up the Brahma attack even more for the Friday night game against the New Braunfels Unicorns at Brahmaville.

The Unicorns have a 2-4 record for the year but took a bad pasting from Kerrville last week in district play. Hollingsworth figures the Brahma tilt. But, he says, his Brahmas are in good shape, as good as they've been all year, and he hopes the results will be good.

Starting along with Knutson in altered Brahma backfield will be Bill Alston at fullback, and carrying Larry Keel and Arnold English at the halves.
